CIRCULAR OF GOVERNMENT.

With reference to sub-paragraph (3) of paragraph 4 of the Report of the Public Accounts Committee on the Appropriation Accounts of the Government of Bombay for 1944-45 and the Audit Report thereon - vide Government Circular, Finance Department, No.P-259-C, dated the 5th December 1947, it has been suggested that a further steps in the direction recommended by the Public Accounts Committee would be to advertise for the various posts to be sanctioned under approved schemes in good time even before formal sanction to the schemes in conveyed. Government accepts this suggestion and is accordingly pleased to direct that when administrative sanction is accorded to any scheme and the Department concerned can reasonably expect that the requisite grants for the same will be sanctioned at the appropriate time, it may proceed with the preliminaries required for making recruitment to the posts contemplated under the scheme without waiting for the actual sanction of the grants. Care should, however, be taken to ensure that no mention is made in the advertisements issued for the posts that the scheme is subject to legislative sanction lest good candidates should be deterred from applying and also that the announcement of final selection is not made till after the requisite sanction of grants for the scheme is obtained.
